# Live well Work well | office home remote

Across the workplace and the home space there's been a significant shift in how and where we work, live and create.

Through it all ACCO Brands has you covered with flexible and multifunctional solutions that adapt to your workspace.

With brands like Swingline®, GBC®, Quartet®, Kensington®, and TruSens® ACCO Brands has a full line-up of products to help you - Live Well and Work Well.

**Please contact Peter Dibben at [peter.dibben@acco.com](mailto:peter.dibben@acco.com)  
to learn more about the full range of sizes, styles and colors available to fit your specific needs.**

*Office*

*Home*

*Remote*

For long term health and better mental clarity, improving the ergonomics of workspace, as well as the air quality, can make a difference.

Pick a space that can preferably be closed off from distractions, has good natural light, and can be dedicated to just work.

Think about the technology you use when you are working from the company office that makes you productive from where you are.
